

I am peace with the unfolding of my life x

I am open and willing to change.

Whatever I truly desire is possible

I am flowing with the universe.

I take leaps of faith.....
knowing that the universe will support me.

I am a limitless being - I can create whatever I want.

I listen to the wisdom of my heart.

I desire, imagine and expect it - and it will be so.

Everything works out perfectly *(I use this one a lot!).*

I live in a loving, abundant universe.

I revel in the beauty and wonder of this planet.

I am one with all of Nature.

And last but not least:

Not to worry
Not to fret
All is well
But not quite yet!
